May it please Your Majesty,

By the Grace of God, Ground of Being, the Almighty One, greeting!

The "**shell shocking**" event, the Malaysia Airlines Flight 17 which was allegedly "shot down" in 'Ukraine' brings to light many questions, the most immediate of which is the question of **treason of Prime Minister Mark Rutte¹** of casually throwing away the "Grace of God" and the **use of Your Majesty's resources by the Mafia**.

In an address to the nation Friday at noon, President Obama said "nearly 100" of those killed — one third of the 298 people on board — may have been en route to the 2014 International Aids Conference in Melbourne, which is scheduled to begin this weekend. The White House said the figure came from remarks made by Australian Prime Minister Tony Abbott. ...

30

The World Health Organization also confirmed that longtime spokesman Glenn Thomas had been on the flight on his way to the AIDS conference. In an e-mail, Oyuntungalag Namjilsuren, a colleague of Thomas's at WHO, called the tragedy "a **shell shocking event** in global aids response."

35

A member of the Dutch parliament was also killed on his way to the to the event, authorities said.

Lange's partner, Jacqueline van Tongeren, who had worked in the field of AIDS for nearly 18 years, also died in the crash.

Beyrer called the loss of life "tragic and profound." He called Lange, a preeminent Dutch HIV researcher and former president of the International AIDS Society, a "huge figure in the field who will be enormously missed."

Any investigation must include an investigation into past and ongoing misdeeds of the 'Mafia', including but not limited to '**AIDS as a eugenics weapon**', the attempt to destroy the evidence of such a weapon, 'Agenda 21'³ for population '**birth control**', 'Chem Trails', 'Space Weapons', the Train in Spain, shaped 'IED' charges, Costa Concordia, 'improvised' land mines in Sudan/Iraq/Afghanistan/etc., remote hijacking, the disappearance of Malaysia Airlines Flight 370, the attempt by Western politicians in the control of the **Mafia to start World War III** on their behalf, **Fukushima**, the reality of advanced weapons that can incinerate or 'trim' a flying airliner as evidenced by published photographs surrounding Asiana Airlines Flight 214 'crash' in San Francisco Airport.

The dissolution of the 'States' of the 'United States of America', investigation of, for example, Area 51 and Denver International Airport, Colorado; the investigation of the covert 'underground' war, the war against the men, women and children in California in particular and 'America' in general.

All these events point to **the failure of 'Constitutional Monarchy'** and the **federal model of 'States'** and the '**United Nations**' as a model for the governance of righteous men, women and children.

You have the saying that **men cannot be made virtuous by an Act of Parliament**; the Chinese experienced it before you. And that is why religion is of deeper importance than politics, since it goes to the root, and deals with the essential of conduct.

All 'States' within the 'United States of America' shall dissolve along with the corporate United States, thus removing the question of whether California should be split into six states⁶, for example.

We suggest an investigation into the near simultaneous earth quakes in Colorado⁷ and Virginia⁸ as an attempt to start World War III and an American Civil War by transfer of gold 'underground'. A complete mapping and inventory of all underground facilities, torture chambers, 'temples', sacrificial altars, etc., above and below ground, worldwide, is inevitable.

The Nordic regions are riddled with doomsday tunnels⁹. 'Iraan'¹⁰ is said to be a vast underground base in Texas. The possibility of 'war with Iraan' may not be about the country of a similar sounding name in the Middle East.

“Fixed fortifications are a monument to the stupidity of man”

- General George S. Patton

75 “Most tunneling activity is under military installations and all information is highly restricted. Former employees of said facilities have surfaced over the years to talk of massive underground installations in places like Area 51, the Northrop facility in Antelope Valley, California (rumoured to have 42 levels), and the Lockheed installation near Edwards, California.

80 “The 'Black Budget' currently consumes \$1.25 trillion per year. At least this amount is used in black programs, like those concerned with deep underground military bases. Presently, there are 129 deep underground military bases in the United States. They have been building these 129 bases day and night, unceasingly, since the early 1940's. Some of them were built even earlier than that. These bases are basically large cities underground connected by high-speed magneto-leviton trains that have speeds up to Mach 2. Several books have been written about this activity.

85 “The average depth of these bases is over a mile, and they again are basically whole cities underground. They all are between 2.66 and 4.25 cubic miles in size. They have laser-drilling machines that can drill **a tunnel seven miles long in one day**. I was involved in building an addition to the deep underground military base at Dulce, which is probably the deepest base. It goes down seven levels and over 2.5 miles deep. I helped hollow out more than 13 deep underground military bases in the United States”.

95 It is in this context that the recently reported ‘hole’ in Siberia must be analysed; as evidence of an underground ‘nuclear’ war. The perfectly cylindrical hole and the resulting ‘crater’ appears to be the ‘popping’ of a relief valve, euphemistically talked about as “like popping a champagne bottle”¹¹, perhaps drawing attention to lunatics and idiots before YHVH, *Ground of Being*, in France and the Nordic countries, who believe Truth is being hit with the King’s Mace.

The tale opens with the third and youngest son of a miller receiving his inheritance—a **cat**. At first, the youngest son laments, as the eldest brother gains the mill, and the middle brother gets the mules. The feline is no ordinary cat, however, but one who requests and receives a pair of boots. Determined to make his master's fortune, the cat bags a rabbit in the forest and presents it to the king as a gift from his master, the fictional Marquis of Carabas. The cat continues making gifts of game to the king for several months.

One day, the king decided that he wanted his daughter to marry the cat's master. The cat persuades his master to remove his clothes and enter the river. The cat disposes of his masters clothing beneath a rock. As the royal coach nears, the cat begins calling for help in great distress. When the king stops to investigate, the cat tells him that his master the Marquis has been bathing in the river and robbed of his clothing. The king has the young man brought from the river, dressed in a splendid suit of clothes, and seated in the coach with his daughter, who falls in love with him at once.

The cat hurries ahead of the coach, ordering the country folk along the road to tell the king that the land belongs to the “Marquis of Carabas”, **saying that if they do not he will cut them into mincemeat**. The cat then happens upon a castle inhabited by an ogre who is capable of transforming himself into a number of creatures. The ogre displays his ability by changing into a lion, frightening the cat, who then tricks the ogre into changing into a mouse. The cat then pounces upon the mouse and devours it. The king arrives at the castle that formerly belonged to the ogre, and, impressed with the bogus Marquis and his estate, gives the lad the princess in marriage. **Thereafter, the cat enjoys life as a great lord who runs after mice only for his own amusement.**

Investigate the allegations of the 'ITCCS' so-called 'Arrest Warrant'

105 We have captured and pasted below the latest "Arrest Warrant" of the "Judicial Council of
The International Common Law Court of Justice, Brussels".

The unanimous Judgement of the Court is that the three primary defendants Jorge BERGOGLIO,
Adolfo PACHON and Justin WELBY¹⁴ have been convicted and are guilty as charged of aiding and
110 abetting Crimes against Humanity, including murder and human trafficking, and of personal
involvement in those crimes. Their guilt has been ably presented and **proven beyond any
reasonable doubt** by the Prosecution.

The refusal of the Defendants to respond to a lawful Summons, to deny or refute the charges against
them, or to present a counter case in their own defence, compelled the Court to consider their
silence as a de facto pro confesso plea in which their guilt was established by their refusal to enter a
115 plea. Precedent has established that pro confesso – which is the refusal of a defendant to plea in a
case of profound importance – provides the basis for the lawful conviction and deposing of rulers
and responsible heads of church and state. (The People in Parliament v. Charles Stuart, January 3,
1649¹⁵)

120 In this precedent, the High Court established by the Parliament of England ruled that the silence of
heads of church and state when accused of crimes against their own people amounts to a
confession by the accused of all of the charges made against them (January 22, 1649).

One of our colleagues offers a dissenting opinion.

125 While concurring with the judgement that all three Defendants are guilty as charged, the dissenting
Magistrate argues that pro confesso applies only when no other means exist to prevent such rulers
from perpetrating tyranny and wars of aggression on their own people and their liberties, as was so
in the historical case cited.

The dissenting colleague argues that by convicting the Defendants primarily under a pro confesso
precedent, their actual guilt for the crimes cited can be construed to have been established
according to a legal technicality. To quote our colleague's statement,

130 "The overwhelming guilt of these leaders for unspeakable crimes demands that we convict them not
simply on the basis of a technicality but according to the evidence alone, so that their guilt is crystal
clear to the world and to posterity."

The Court has taken into account this dissenting opinion in formulating its final judgement.

Accordingly, it is the unanimous judgement of the Court that:

135 1. The Defendants Jorge BERGOGLIO, Adolfo PACHON and Justin WELBY are guilty as charged on
two counts: of organizing, aiding and abetting Crimes against Humanity, including murder and
human trafficking, and of personally participating in the routine and ritual rape, torture and murder
of children.

140 2. The Defendants are sentenced to life imprisonment without the possibility of parole or pardon,
and to the forfeiture of their assets, property and authority.

13 We believe that in Argentina the 'training' involved living a Christian life in the face of terrible atrocities, not the perpetration of such atrocities.

14 We take notice that they have suddenly omitted Her Majesty Queen Elizabeth II from their crusade and that they have used ALL CAPS to indicate that this is just a formal, non-substantial warrant of legal idiots who thought that they had this 'all wrapped up'. Yet important and useful information emerges even from legal idiots.

15 Perhaps they have failed to examine the Common Law precedent regarding money, the 1604 Mixed Money case, the multi-century 'religious' war, etc., etc., as analysed by this *Court of Record*.

145 3. The sworn Sheriffs of the Court and their affiliated Direct Action Units, established by the Court on June 1, 2014, are ordered to immediately arrest and imprison the Defendants at facilities provided by the Court, and to seize their property and assets. The public is asked to assist the Sheriffs in this task. An open ended International **Citizens'**¹⁶ **Arrest Warrant** will be issued by the Court against the convicted persons within **48 hours** of this judgement.

4. The Court will produce a full public statement making it clear that the basis for its conviction of the Defendants lay entirely in the hard evidence of their guilt, and that their refusal to plea, and hence the pro confesso judgement, was a contributing factor but not the basis of the guilty sentence.

150 5. In addition, to emphasize that this conviction is not a limited one aimed only at the top figureheads of murderous regimes, as of September 1, 2014, the Court will establish an ongoing Permanent Inquiry to investigate and prosecute others involved in the crimes proven in this case and contained in the permanent Court record. This Inquiry shall be entitled The Permanent Commission into Child Trafficking and Ritual Sacrifice and will have the power to subpoena and arrest, and adjudicate cases before the Court. The Commission will be international in scope, have no time
155 restriction, and will seek cooperation from governments, international agencies and police forces with the aim of prosecuting and stopping forever the trafficking, ritual torture and murder of children.

160 6. To protect this Commission, its witnesses, officers and evidence, the Court record from the case of The People v. Bergoglio et al will remain sealed for now, along with the identity of the witnesses and Court officers, with the exception of that permitted by the special and unanimous authorization of the Court. The Jury members who were involved in proceedings thus far are relieved of their duties and thanked for their efforts.

7. This concludes the case of The People v. Bergoglio et al.

“48 hours” have passed. Only lunatics and idiots believe that “sherrifs” are going to do the job. Rome was not built in a day, nor will lunatics and idiots who have no faith in anything but the rule of a stick overcome the *Bishop of Rome*.

The former Wachovia Bank (now Wells Fargo), Bank of America, and Western Union all made or continue to make millions from drug money collected in the U.S. and sent or laundered back to Mexico ... General Dynamics, Motorola and Raytheon are doing well by the (human trafficking prompted) border security build-up.” – The Washington Spectator, July 1, 2014

175 “The crime syndicate called ‘**Ndrangheta** provides the children used in the sacrificial killings in Holland, the ones I witnessed, including the human hunting parties. It’s called “The Octopus” in Holland. They are deeply involved in human trafficking thanks to their control of the police and politicians”. – Testimony of “Josephine”, retired lawyer and eyewitness, given in a deposition to the International Common Law Court of Justice, Brussels, June 2014

180 “The ‘Ndrangheta is a Mafia style criminal organization in Italy, having replaced the old style Cosa Nostra. ‘Ndrangheta is currently the most powerful and richest criminal organization in Italy and possibly Europe, with an estimated annual revenue of at least 53 billion Euros (\$72 billion US), gained from drug trafficking, extortion and money laundering”. – Wikipedia.org

.....
185 Crime pays: that’s why it continues. And nothing pays as well as selling human beings, especially children.

Child trafficking isn’t just some sick illness: it’s a global, profitable business. And this simple fact is too often overlooked by the scramble to blame evil individuals, whether “Lizard-like Royals” or

16 ‘Citizens’ of WHAT?

child-raping priests and popes, for the systematic slaughter of vast numbers of innocents.

190 The details of that global industry have surfaced, almost accidentally, in the course of the Brussels-based International Common Law Court trial of “Pope Francis” Jorge Bergoglio and others for child trafficking.

Commenced as a prosecution of the Catholic and Anglican church leaders for their documented involvement in harming children or aiding those who do, the Brussels case has since May unearthed considerable inside information on the corporate cartels that provide children for rape, torture and killing: and on their ties to the men presently under indictment by the Court.

195 Last month, I was contacted by a retired Dutch lawyer whose former husband is a member of the criminal syndicate that provides the children and adolescents who are used in ritualistic “hunting parties” in Belgium. I’ll call her Josephine. We’ve spoken three times on skype, and her recorded statements are now in the archives of the International Common Law Court of Justice.

200 According to Josephine, her ex-husband and other members of **“The Octopus”¹⁷ – the local slang term for Ndrangheta**, today’s born-again Mafia – provided ten children and adolescents who were hunted down and killed, and then mutilated, by wealthy men in forests near Oudergem, Belgium, in the spring of 2000 and 2004.

205 “I was there, I saw the whole thing. I was told they were kids from the juvenile detention centres in Brussels. They were let loose naked in the forest and hunted down and shot. **The killers included Prince Friso of Holland and his wife’s friend, the billionaire George Soros, Dutch Prime Minister Mark Rutte, and Prince Albert of Belgium.** After they shot down the young ones they cut off the boys’ penises and held them up like trophies, cheering and applauding.”

210 While confirmed by other insiders, these grisly accounts can distract from the bigger story and motives behind the crime. The ‘Ndrangheta syndicate, for example, obtains its child fodder through its deep involvement with the child-snatching roman catholic church and top Vatican officials. According to Matteo Macceo, a Radical Party member of the Italian Parliament,

215 “The modern Mafia are the same people who run the catholic church and the Italian government. They’re indistinguishable, they’re all in the same club. And their main concern is their assets, which come from organized crime: drugs, and arms dealing, and human trafficking.” (from a statement to the author made in Rome, April 2010)

220 The Catholic church is clearly the largest baby trafficker in human history, making billions each year by selling catholic newborns to orphanages, foster agencies and undisclosed parties. In Spain alone, 300,000 children were trafficked by the church between 1940 and 1980, reaping over \$20 billion. (See ICLCJ testimony of Antonio Barrero). And the present under-indictment Pope Francis himself organized such a marketing of children of more than 30,000 Argentine political prisoners during his stint as front man for the military junta there in the 1970’s and ‘80’s. (ICLCJ testimony of Witness No. 32)

225 This official slave trade ties in directly to criminal groups like ‘Ndrangheta, which often provides the outlets for catholic trafficking, selling the babies through syndicate-controlled safe houses and providing political and legal protection to their Vatican associates.

230 “For every single child raping priest or baby-dealing nun, there are ten other people protecting them, greasing the wheels, making the payoffs to keep it all working smoothly and hidden from view. And ‘Ndrangheta keeps rearing its ugly head in this whole business” stated a member of the Brussels Court’s Prosecutor’s Office, which is conducting the case against Jorge Bergoglio and others.

235 And yet even ‘Ndrangheta is itself part of a bigger global cartel specializing in a vast modern human slave trade financed by major banks tied in through their routine laundering of drug money for the mob. These banks include Bank of America, J.P. Morgan and HSBC, which recently admitted to laundering over \$2 billion in drug money for Mexican crime syndicates.

This economic empire, in which drugs and human trafficking are so intimately bound, is reinforced

17 Also see the ‘Dutch paedophile society’ <http://rt.com/news/174952-dutch-paedophile-society-appeal/>

politically by the continual use of child prostitution by domestic spy agencies to blackmail and control politicians and leaders. “The CIA admitted their vested interest in child trafficking in their 2008 disclosure that since the Vietnam War they have operated child prostitution ‘entrapment rings’ to snare their congressional opponents, in Bangkok and Seoul” (Rock Creek Free Press, Washington).

All told, the recent exposure of royal and church involvement in child sacrificial rituals seems yet another tip in the proverbial iceberg of crimes in high places. But the fact of the common presence of ‘Ndrangheta in so many of these crimes against children, and that syndicate’s own direct ties to the Vatican, has given new impetus to the prosecution of Pope Francis and others who, like the Nazi defendants at Nuremberg, are symbolic of an entire system of corruption and death that must come down.

Simpletons discuss personalities (Kill Hitler! Kill Saddam!, etc.), mainstream pundits discuss events (the coming Dollar Collapse!!), more enlightened people can discuss *reason-principles* in the *Ground of Being*, the so-called ‘causal realm’ that produce the ‘evil effect’ that the so-called ‘Common Law Court’ is trying to solve with the blunt stick of an ‘Arrest Warrant’ for the king¹⁸.

Reality of World Governance

We suggest to Your Majesty and those involved in the investigation, the study of the *Arthasāstra*¹⁹, to get a sense of scale and perspective of the office of the king of kings, the *Bishop of Rome*.

“Is there any other book that talks so openly about when using violence is justified? When assassinating an enemy is useful? When killing domestic opponents is wise? How one uses secret agents? When one needs to sacrifice one’s own secret agent? How the king can use women and children as spies and even assassins? When a nation should violate a treaty and invade its neighbor? Kautilya — and to my knowledge only Kautilya — addresses all those questions. In what cases must a king spy on his own people? How should a king **test** his ministers, **even his own family members**, to see if they are **worthy of trust**? **When must a king kill a prince, his own son, who is heir to the throne**? How does one protect a king from poison? **What precautions must a king take against assassination by one’s own wife**? When is it appropriate to arrest a troublemaker on suspicion alone? When is torture justified? At some point, every reader wonders: Is there not one question that Kautilya found immoral, too terrible to ask in a book? No, not one. And this is what brings a frightful chill. But this is also why Kautilya was the first great, unrelenting political realist”.

—Boesche (2002)

Truly radical ‘Machiavellianism’, in the popular sense of that word, is classically expressed in Indian literature in the *Arthasastra* of Kautilya (written long before the birth of Christ, ostensibly in the time of Chandragupta): compared to it, Machiavelli’s *The Prince* is harmless.

—Max Weber, *Politics as a Vocation* (1919)

18 Revealing their ignorance of the Common Law.

19 <https://en.wikipedia.org/wiki/Arthashastra>

Arthashastra deals in detail with the qualities and disciplines required for a Rajarshi²⁰ – a wise and virtuous king.

285 “*In the happiness of his subjects lies the king's happiness, in their welfare his welfare. He shall not consider as good only that which pleases him but treat as beneficial to him whatever pleases his subjects*” – Kautilya.

In our Letter Rogatory to the British Cabinet we referred to the *Arthasāstra* thus:

290 “ ... ‘nice people’ would not hesitate to label the author of this letter as a ‘criminal’ and turn him in to the authorities – as the author does not use a passport to cross borders or *apply* for residence, he must be evil. In an interview Father Benedict XVI stated that the airport authorities in Germany do not know the Vatican City State is a country with a passport. We know how Father Benedict XVI must feel about it.

295 “A hundred years after the *Arthasāstra* is translated from Sanskrit found on Palm Leaf Manuscripts by Rudrapatnam Shamasastri of the Oriental Research Institute, Kingdom of Mysore, there is the perfect Monarch who governs the world, whose own people know him not and every principle in that ancient masterpiece on state-craft seen in world manifestation.”

300 If ‘material well being’ is the source of happiness, Europeans must be very happy! They can scarcely need to be plotting doomsday seed vaults and world domination, when they dominate the world already. They must be full of Christian generosity towards the weak and poor. What happened to Christianity in Europe? Today the only Christians in ‘positions of power’ to be found on mainland Europe, to the shame of the Protestants, Roman Catholic Cardinals, Jesuits and Mafia are the *Bishops of Rome*.

This is some good info on the Black Pope:
- 390 The 'Black Pope', Superior Jesuit General (The President of the World), speaks at Loyola 'Military Fortress' University in his un-ratified 14th Amendment 'Little Rome' D.C United States Corporation.
A corporation under International Maritime Admiralty Law (Uniform Commerical Code) based upon Vatican Canon Law and perfected by the Roman Empire.
He lies about his power, he's over the Pope as of 1814.
- 395 He only serves and works with the shadow Jesuits being the Papal Bloodline Orsini's, Breakspear's, Aldobrandini's, Farnese's, Somalgia's.
Adolfo is not of Papal Bloodline, some Black Pope's have been.
The next in power beneath the Jesuits is the Bourbon, King Juan Carlos of Spain. The Roman Monarch of the World, The King of Jerusalem and SMOM Military Navigator.
- 400 This is the true World's power system right now.
Adolfo serves as a military General protecting the Zoroathrianism and Mithraism mystery schools.
The Jesuits were created by the Papal Bloodline Farnese during the reign of Farnese Pope Paul III.
Loyola was commissioned by Alessandro Cardinal Farnese.

- 405 The Borgia crime family created the Jesuits!!
After the terrible reign of Pope Alexander VI, the Romans were disgusted with the Spanish and vowed that there would never be another Spanish Pope. This animosity toward the Spanish was further aggravated by the Sack of Rome in 1527 in order to prevent the divorce of Henry VIII from Catherine of Aragon.
- 410 The Borgia answer to this Spanish animosity was the creation of the order of Jesuits—a quasi religious/military strike force whose members were totally dedicated to their Spanish leader who bore the military title of general.

415 Like the White Pope, the general is elected for life and the Jesuit dynasty is a parallel or pseudo Papacy....Of course, the general is content to run the show from behind the scenes so as not to arouse the age-old Italian hatred for the Spanish.

The Jesuit general is referred to as the "Black" Pope at the Vatican because he always dresses in black.

The Jesuits were officially founding in 1540 by Pope Paul III. Ignatius LIeola became their first general.

420 Don Francis Borgia was the great-grandson of Pope Alexander VI, and co-founder of the Jesuits. On his mother's side he was descended from King Ferdinand of Aragon.

The Spanish control the Vatican through the Jesuits.

425 For the past 500 years, the Spanish Inquisition has controlled the Vatican by means of the Jesuits. All the Jesuits answer to their general in Rome, and he in turn is content to run the show from behind the scenes, without any publicity or public acclaim so as not to arouse the age-old Italian hostility to the Spanish.

Every one knows about the fabricated Italian Spanish (verbal) war and it still is used in Propaganda to day to keep them all dumbed down.

So down with the Pope ? Well Sorry to inform you ! The rabbit hole is far far deeper than that.

430 But this is the tip of the all seeing eye of the modern day crumbling pyramid.

Keep all your gold and silver for your self now, just as this killing system gets dismantled by us all. And dismantled it will be thanks to you spreading this awareness.

The funny thing is That the Cardinals who pretend to pick the pope under lock and key say that God comes in the presence and selects the Pope. Ever thought if that were so, that would get 7 billion viewers on television if true?

470 Even so are there 'mystery' schools that attempt to reconstruct the worship of 'cats', from the evidence found at the 'Step Pyramid of Sakkara'.

475 'The Doors of the Cats', so called because hundreds of cat mummies were found here. The Ancient Egyptians worshipped the cat goddess Bastet, whose main place of worship was at Tel-Basta near Zagazig in the east of the Delta. At Sakkara her sanctuary or Bubasteion stood above a cliff in which some New Kingdom tombs were cut, some of which were re-used much later for cat burials connected with the Bubasteion.

480 Denver, Colorado recently offered to 'house' 'immigrant children', supposedly crossing the 'impenetrable' southern border of the 'United States'. The story, published by 'Russia Today'²⁵, features a picture of a child with a cat and a 'dragon' t-shirt.

That the southern border of the 'United States' is impenetrable, is documented by a 'Jim Stone' on his 'freelance' site²⁶:

485 **The border is impenetrable if you are an American trying to get out.** I was in the back country for three full days with great maps and great equipment, and managed to evade the U.S. border patrol for three days, and finally got busted. I had huge cameras at that time and got off as being a reporter, but was not allowed to proceed southward to the border.

Here is what I witnessed

490 There were five layers of border patrol that I saw, and possibly more that I did not. Drones flew the skies constantly. Helicopters flew the sky constantly. At night, you could see the rows of border patrol agents approach their positions with their headlights on. There were five separate rows, which from the top of a mountain I could see were spaced about a mile apart, extending five miles or more into the back country north of the U.S. border.

495 Where I cut in, I was between rows three and four. The first thing I did was climb a mountain and wait for the sun to go down. It was then that I saw how well patrolled the border really is. There were two rows of headlights behind me, with the patrols having the ultimate 4 wheel drive setups traversing the back country easily. Row five to the back had vehicles spaced at about a mile. Starting at row 3, they were spaced at a half a mile. Rows 1 and 2 were very closely spaced, with vehicles only a couple hundred yards apart.

500 **I knew about defeating night vision, and managed to beat it with a sheet of plastic.** Progress was slow, at about 3/4 of a mile per day. At the end of day 3 I ran out of water but kept going. I was

about a half mile from the fence, which looked totally impenetrable but at least it leaned in towards Mexico, so if I managed to scale it I would not have acrobatics to do at the top.

505 Finally, on the night after day 3, I decided to stop trying to defeat the night vision because I was out of water and needed to move more quickly. I stopped moving the plastic forward to hide under it. As soon as I stood up without it, and I mean IMMEDIATELY, all the border patrol trucks saw me and I got mobbed. I was blown away by how fast the response was, I was busted in only about two minutes (the time it took them to bounce over things and get to me). Fortunately I had two large professional SLR cameras, "explained" I was a reporter doing a report on the border situation, they said I could not be back there and drove me into town. If I did not have the cameras and a good alibi, I am certain I would have been screwed.

510 It was close to daytime when they drove me into town. There was a McDonalds, so I got a coffee and went online.

When I left the McDonalds, I got a dose of the real story -

515 The border is totally impenetrable for people heading south. BUT at the actual border crossing, they were allowing Mexicans to stream across the border by the hundreds with back packs or whatever else, where buses picked them up and drove them away.

Legal Idiots before YHVH, Ground of Being, Jesus Christ

520 The Real 'constitution' for men, women and children in our lovely earth is to be found in the Gospel According to Saint Luke, Chapter 20, regarding the 'fruitful garden' of Eden, the 'Vineyard' of our LORD.

Legal idiots before YHVH, Our Father, who operated the 'Second Temple', the 'First Temple' and Egypt itself have been removed by His grace as have the lunatics and idiots who tried to 'interpret' the Books of Moses by the light of Aristotle rather than YHVH.

525 *20:1 And it came to pass, that on one of those days, as he taught the people in the temple, and preached the gospel, the chief priests and the scribes came upon him with the elders,*

*20:2 And spake unto him, saying, **Tell us, by what authority doest thou these things?** or who is he that gave thee this authority?*

20:3 And he answered and said unto them, I will also ask you one thing; and answer me:

530 *20:4 The baptism of John, was it from heaven, or of men?*

20:5 And they reasoned with themselves, saying, If we shall say, From heaven; he will say, Why then believed ye him not?

20:6 But and if we say, Of men; all the people will stone us: for they be persuaded that John was a prophet.

535 *20:7 And they answered, that they could not tell whence it was.*

*20:8 And Jesus said unto them, **Neither tell I you by what authority I do these things.***

20:9 Then began he to speak to the people this parable; A certain man planted a vineyard, and let it forth to husbandmen, and went into a far country for a long time.

540 *20:10 **And at the season he sent a servant to the husbandmen, that they should give him of the fruit of the vineyard: but the husbandmen beat him, and sent him away empty.***

"Christians must always be ready for good criticism, and I hardly think that you will mind if I make a little criticism. You Christians, who are so fond of sending out missionaries to save the soul of the heathen — why do you not try to save their bodies from starvation? In India, during the terrible famines, thousands died from hunger, yet you Christians did nothing. You erect

545 churches all through India, but the crying evil in the East is not religion — they have religion
enough — **but it is bread that the suffering millions of burning India cry out for with
550 parched throats. They ask us for bread, but we give them stones. It is an insult to a
starving people to offer them religion; it is an insult to a starving man to teach him
metaphysics. In India a priest that preached for money would lose caste and be spat upon
by the people. I came here to seek aid for my impoverished people, and I fully realised how
difficult it was to get help for heathens from Christians in a Christian land”.**

Swami Vivekananda²⁷

20:11 *And again he sent another servant: and they beat him also, and entreated him shamefully,
and sent him away empty.*

555 20:12 *And again he sent a third: and they wounded him also, and cast him out.*

20:13 *Then said the lord of the vineyard, What shall I do? I will send my beloved son: it may be they
will reverence him when they see him.*

20:14 *But when the husbandmen saw him, they reasoned among themselves, saying, This is the
heir: come, let us kill him, that the inheritance may be ours.*

560 20:15 *So they cast him out of the vineyard, and killed him. What therefore shall the lord of the
vineyard do unto them?*

20:16 ***He shall come and destroy these husbandmen, and shall give the vineyard to others.
And when they heard it, they said, God forbid.***

565 20:17 *And he beheld them, and said, What is this then that is written, The stone which the builders
rejected, the same is become the head of the corner?*

20:18 ***Whosoever shall fall upon that stone shall be broken; but on whomsoever it shall fall,
it will grind him to powder.***

570 Europe, the centre of the manifestation of material energy, will crumble into dust within fifty
years if she is not mindful to change her position, to shift her ground and make spirituality the
basis of her life”.

- Swami Vivekananda, circa 1896²⁸

20:19 *And the chief priests and the scribes the same hour sought to lay hands on him; and they
feared the people: for they perceived that he had spoken this parable against them.*

575 20:20 *And they watched him, and sent forth spies, which should feign themselves just men, that
they might take hold of his words, that so they might deliver him unto the power and authority of
the governor.*

20:21 *And they asked him, saying, Master, we know that thou sayest and teachest rightly, neither
acceptest thou the person of any, but teachest the way of God truly:*

20:22 *Is it lawful for us to give tribute unto Caesar, or no?*

580 20:23 *But he perceived their craftiness, and said unto them, Why tempt ye me?*

20:24 *Shew me a penny. Whose image and superscription hath it? They answered and said,
Caesar's.*

unto God the things which be God's.***

585 The 'Boston Tea Party' was about a 2% tax on tea by the 'King of England' as successor to the Protestant 'King Henry VIII' style Caesar, which had been reduced to 1% because of protests. The principle that motivated the intellectuals who led the 'revolutionaries', is that no tax, however small, is to be paid to 'Caesar', for Caesar in Rome had been conquered by the Grace of Jesus Christ. Thus you find the legal basis for offshore corporations and those who keep the
590 word of God through pure self interest. **No 'State' or 'King' or 'Caesar' may collect taxes!**

Which brings us to His Holiness Pope Benedict XVI's 2012 Christmas message²⁹, which apparently no one in the 'west' understood, for they were not 'Christian'.

"Render unto Caesar what belongs to Caesar and to God what belongs to God," was the response of Jesus when asked about paying taxes. His questioners, of course, were laying a trap for him. They wanted to force him to take sides in the highly charged political debate about Roman rule in the land of Israel. Yet there was more at stake here: if Jesus really was the long-awaited Messiah, then surely he would oppose the Roman overlords. So the question was calculated to expose him either as a threat to the regime, or as a fraud.

*Jesus' answer deftly moves the argument to a higher plane, gently cautioning against both the politicisation of religion and the deification of temporal power, along with the relentless pursuit of wealth. His audience needed to be reminded that the **Messiah was not Caesar, and Caesar was not God.** ...*

In Italy, many crib scenes feature the ruins of ancient Roman buildings in the background. This shows that the birth of the child Jesus marks the end of the old order, the pagan world, in which Caesar's claims went virtually unchallenged. Now there is a new king, who relies not on the force of arms, but on the power of love.

Pope Benedict XVI

Church attendance or even being a 'tele-evangelist' is no guarantee of being judged 'Christian' by the LORD, Jesus Christ, Ground of Being.

610 **6:46 And why call ye me, Lord, Lord, and do not the things which I say?**

6:47 Whosoever cometh to me, and heareth my sayings, and doeth them, I will shew you to whom he is like:

6:48 He is like a man which built an house, and digged deep, and laid the foundation on a rock: and when the flood arose, the stream beat vehemently upon that house, and could not shake it: for it was founded upon a rock.

615 **6:49 But he that heareth, and doeth not, is like a man that without a foundation built an house upon the earth; against which the stream did beat vehemently, and immediately it fell; and the ruin of that house was great.**

620 The moneylenders of Europe, who believed that **they** were the chosen people, can see their own law in action in the history of the last century, which is covered in our *Amicus curiæ* to the Grand Rabbi of 'France'. 630 It looks like an actor in Turkey (all politicians are actors, the question always is who do they act for, check this link³⁰ for what he looks like and the mudra indicated), posing as the Turkish Foreign Minister, has opened the next front in the 'Hitler' agenda:

Turkish Foreign Minister Ahmet Davutoğlu has pledged to "work night and day to remove the colonialists" from the Middle East.

635 "The main opposition party leader [Kemal Kılıçdaroğlu] and some others call [the Middle East] a quagmire. But we will not let anyone call the Middle East a quagmire, as this place also includes the cave of Hira, which enlightens humanity. We will work night and day to remove the colonialists from this region. We will raise the light of civilizations in the Middle East," Davutoğlu said, speaking at a pre-dawn Ramadan meal organized by the ruling Justice and Development Party's (AKP) youth branches in Istanbul's Topkapı neighborhood.

640 "We will never abandon the case of the Palestinians, or of Gaza, at any time. Some might say, 'let's be neutral.' Some will say, 'let's not get involve in the Middle Eastern quagmire.' But we consider these places to be our brothers and as sacred, honorable places," he said, adding that "hearts are beating for Syria, Iraq and Gaza during this year's Ramadan."

645 In England, the 'public trial'³¹ regarding the murder of Litvinenko³² by Polonium is a pretend attempt, we believe, to smear President Putin, who by the grace of God, conveyed in our *Amicus curiae*³³, has 'understood' the situation in Europe, and at our suggestion freed legal children used by 'foreign' powers, including but not limited to Greenpeace, Pussy Riot and the 'billionaire' oligarch(s). We are aware of how the game was played by a certain family in England which used these 'billionaire' legal infant oligarchs, fraudulent conversion and 'trust' arrangements
650 to steal shares in Russian oil companies.

"Forget the past," Sri Yukteswar would console him. "The vanished lives of all men are dark with many shames. Human conduct is ever unreliable until anchored in the Divine. Everything in future will improve if you are making a spiritual effort now."

It appears that the death-worshippers amongst the Masonic and Vatican 'illuminati' believe that they can use Dutch facilities to 'get rid of' the DNA evidence of 'alien' experiments and tortured bodies. It appears that bodies have been rained down in Ukraine in the laser incinerated former MH370 aircraft. 675 Did His Holiness Pope Benedict XVI resign to draw attention to the danger the 'White Pope' faced? Is His Holiness Pope Francis is a similar danger? The 'king' or 'president' or 'Pope' may be forced to witness difficult phenomena or do terrible deeds, for they may have to 'go to war' or 'lie in public'. We are investigating other 'public' officials who have had to undergo such training even before standing for election to a 'national' office as 'Prime Minister'.

680 President Obama's job of lying in public about President Putin and Ukraine, is now being learned by Prime Minister David Cameron of the 'United Kingdom' and Prime Minister Benjamin Netanyahu of the 'State of Israel'. These are 'distress signals'. These are from men who have been informed of Truth by this **Court of Record**. Their 'distress' has to do with the Nordic countries and the E.U., which are run by the Mafia.

685 JohnInCambridge [comment on <http://www.telegraph.co.uk/finance/economics/10981648/Russia-vastly-outgunned-in-economic-showdown-with-West.html>] One thing certain is that the EU won't this time be able to paper over the fault lines between its constituent nations. Any pretence that it speaks with one voice is dead and gone. The Euro has been defended with a bodyguard of lies enabling a pretence of unity in the teeth of democratic protest and mass unemployment. But now geopolitics are involved at a level beyond economics there will be hell to pay. **The Dutch are going to be more important in all this than commentators have yet allowed**. Their quietism creates a sense that they'll go along with anything the EU big boys say or do. 715 "No, no," she says emphatically. "Forgiveness is a hard choice. It's liberating to be able to reach the point in your life where you feel you can forgive. Everybody feels they have been trespassed upon and nearly everybody has trespassed on somebody else, maybe not intentionally."

Hillary Clinton, interview: 'Forgiveness is hard' [20 July 2014]³⁷

There are lunatics and idiots who wish to start another Anglo-Dutch war. We can *see* that the lunatics and idiots in England are under competent management at this time.

A 'king' must depend on loyal men and women who depend on Truth.

720 Your Majesty is surrounded by traitors to their people.

As we have demonstrated when we assisted Her Majesty Queen Elizabeth II when Her Majesty's Navy was caught 'red handed' in a Daring³⁸ act with stolen gold from the Philippines and when we demonstrated the defeat of 'Caesar' in Ukraine³⁹, Your Majesty can request the assistance of the Russians, the Germans, the Scottish, the English, the Japanese, the Indians, the Chinese and even the Americans and the French, for **Truth revealed makes men of legal infants.**

By 'hunting down' little children, lunatics and idiots have laid down the law that is acceptable for **their own** treatment. It is no different from what Jesus Christ Himself said:

730 *Luke 17:1 Then said he unto the disciples, It is impossible but that offences will come: **but woe unto him, through whom they come!** 17:2 **It were better for him that a millstone were hanged about his neck, and he cast into the sea, than that he should offend one of these little ones.***

17:3 Take heed to yourselves: If thy brother trespass against thee, rebuke him; and if he repent, forgive him.

735 *17:4 And if he trespass against thee seven times in a day, and seven times in a day turn again to thee, saying, I repent; **thou shalt forgive him.***

Lunatics and idiots before Jesus Christ, *Ground of Being*, are drowning with the millstone of their *karma* in the Sea of Admiralty.

We suggest that any and all men and women who have engaged in such activities be asked to resign after any access credentials are removed. **We suggest that the Dutch Prime Minister Mark Rutte resign.** For those who resist and do not resign, we suggest that a military task force of loyal, righteous men and women, in coordination with the military tribunal under Lord High Admiral Prince Philip, be created to arrest all in "The Octopus", **whoever or wherever they may be**, should they be uncivilised enough not to resign and get out of the way. Those who resign have nothing to fear but their own *karma* and plenty of time to make amends, in this life time or the next.

We suggest that Your Majesty request the resignation of His Excellency Carl Bildt, the Swedish Foreign Minister and all such lunatics and idiots in countries Your Majesty has influence with.

750 We suggest that Your Majesty must recover and loyal personnel take control of access to all military equipment and account for the actions of all 'Dutch' personnel, including but not limited to those in Ukraine and those handling the chemical weapons from 'Syria'.

We suggest that righteous men and women proven loyal Your Majesty are in control of all vital command and control facilities and that such men and women are not tainted by their past actions.

760 We suggest that Your Majesty dissolve Parliament and coordinate expert witnesses and scientists from multiple countries, including but not limited to Germany, France, Russia, 'United Kingdom', Japan, Italy, 'United States', etc., together with any religious leaders who wish to attend, examine the evidence in Ukraine and the allegations and hypothesis which we have passed on in this letter and publish the Truth regarding all *Matters of Fact*.

765 We believe that as the lifeless corporate 'United States' prepares for its dissolution and as France and the European Union does the same, there is much 'dirt' from many dead bodies that must be brought to the light of conscious awareness so that it may be washed away by a flood of spirituality.

770 We believe that the LORD is calling the Dutch to be the Heroic nation that has the 'strength' to do this Herculean task of 'cleaning the Augean stables'⁴¹.

Ye have worshipped the reason-principles of death ('republic', 'bank', *corporation*, 'atom bomb', *corpses* from Egypt, etc.) and have obtained death in copious quantities. Ye have dug Deep Underground Military Bases (DUMB) and instituted a policy of Mutually Assured Destruction (MAD). Is there any wonder why Europeans are managed as **legal idiots**?

775 The French are discovering the superior, merciful nature of Hume's Guillotine⁴² as compared to their own celebrated Bastille Day guillotine. Reason can be **seen** to be not as cold and insentient as 'feeling'.

Those who hoard⁴³ or reject⁴⁴ knowledge can now **see** that this is a path to ruin.

780 *Hosea 4:1 Hear the word of the LORD, ye children of Israel: for the LORD hath a controversy with the inhabitants of the land, because there is no truth, nor mercy, nor knowledge of God in the land.*

4:2 By swearing, and lying, and killing, and stealing, and committing adultery, they break out, and blood toucheth blood.

*4:3 Therefore **shall the land mourn**, and every one that dwelleth therein shall languish, with the beasts of the field, and with the fowls of heaven; yea, the fishes of the sea also shall be taken away.*

785 *4:4 Yet let no man strive, nor reprove another: for thy people are as they that strive with the priest.*

4:5 Therefore shalt thou fall in the day, and the prophet also shall fall with thee in the night, and I will destroy thy mother.

790 *4:6 My people are destroyed for lack of knowledge: **because thou hast rejected knowledge**, I will also reject thee, that thou shalt be no priest to me: seeing **thou hast forgotten the law of thy God**⁴⁵, I will also forget thy children.*

We suggest that those who hoard 'intellectual property' take cognisance of the message from YHVH, **land** of being, Jesus Christ, and share their knowledge for the benefit of **all** mankind.

Genesis 27:15 And Moses spake unto the LORD, saying,

795 27:16 Let the LORD, the God of the spirits of all flesh, set a man over the congregation,

27:17 Which may go out before them, and which may **go in before them, and which may lead them out, and which may bring them in**; that the congregation of the LORD be not as sheep which have no shepherd.

The First Book of Moses Called Genesis 27:15-17, King James Bible

800 It can be **seen** that shepherding, that is, the care and protection, of the 'Jewish', 'Christian' and 'Islamic' children of Abraham is not achieved by the military-industrial-banker-spook complex. The shepherd can be **seen** as the anointed *one* who went in before them, leading them in and then leading them out and bringing them back in.

805 We send our love to YHVH, *Ground of Being*, our LORD Jesus Christ, that Holy Spirit guide the manifestation of Holy Peace and Joy at the discovery that we are **One**.

Yours faithfully,

45 Gospel of Saint John 10:30 I and My Father are **One, God is One**, the mind-map of which, called 'Garden of Eden', is detailed in Genesis, the First Book of Moses, in the picture language of Egyptian Priests where it is shown that epistemology and ontology of all possible knowledge is *One*.

Quran 2:163 And your god is **One** [Being]. There is no deity [worthy of worship] except Him, the Entirely Merciful, the Especially Merciful.
