May it please Your Majesty,

The contemplation below appears to have produced results although it was not sent. The dates and times are like in a journal.

28 October 2015 early hours

A contemplation journal

May it please Your Majesty,

The focus shifts, the gaze of greed thwarted seeks a victim; the farthest from the Christian faith are perhaps closer than His Holiness Pope Francis may have imagined.

http://en.radiovaticana.va/news/2015/10/27/pope__pastor_bonus_norms_still_apply_at_the_roman_curia/1182366

"Who are you?", is a question on many lips; "Who am I?" is the inquiry that must be pursued to reveal the nature of YHVH, Allah, Ground of Being, Our Lord Jesus Christ.

This self revelation is the mystery of the Great Pyramid; Those without this self revelation walk around with their head stuck in Hume's Guillotine - but they look in a mirror and say naw, no such

thing around my neck.

This self revelation does not come easy; the gaze of the Goddess of Truth falls only on those who have developed the two strong feet of reason and devotion to tread the path of Truth to see Her face unveiled.

Africa is the topic du jour; East Africa being the key to its mystery. We have spoken with a friend who tells of the plight of men of weak minds, lost to drugs and alcohol. The corruption of the 1990s when gold was removed from the Central Banks, was followed by the laundering of USD bank money-of-account, which was followed by the ongoing corruption of drugs and alcohol and civil war to weaken the nations.

Before the newest 'nation' of 'South Sudan' obtained its 'independence', we wrote [courtofrecord.uk/South-Sudan] on 1st October 2010 to H.E. Salva Kiir Mayardit who became the first President of Southern Sudan, we arranged for Dr. James M. Kajete to carry the letter and deliver it in person. In this letter, we wrote, "When the people on the land live under *lex terrae*, the common law, use money that is objective and cannot be made up by any man, voluntary lawful contracts in all manner of commodities and risk are traded in the markets, the free movement of men and materials creates the virtuous cycle of wealth generation".

Greed pushes men to act irrationally; patience in a new government is thin, they are eager to 'profit', without asking basic questions as to what is the nature of law and money. That plight is shared by the legal infants who think that 'Climate Change' talks in Paris can create a legally binding agreement.

They were eager to 'monetise' the oil there, they got a civil war for their efforts. We have witnessed the same 'Nazi' western cults who paid "5000 dollars" for every victim in Ukraine, foster the civil war in Southern Sudan.

Your Majesty knows how Common Law treats sub surface mineral rights and stewardship; Your Majesty knows that trading this oil for goods from China, for example, would 'bootstrap' a virtuous cycle.

Unwritten Constitution

The English take pride in their unwritten constitution, a living constitution. A living constitution requires contemplation of YHVH, Ground of Being.

Your Majesty, by the /sacrifice/ of Your Majesty's right to speak has received 'speech' back many fold in these letters. By being unable to speak out, Your Majesty has become still and had to pray and worship YHVH for the welfare of Your Majesty's subjects, which given the implicit trusteeship of all nations, does not exclude anyone.

The resignation of His Holiness Pope Benedict XVI created a similar living constitution in the Vatican, letting him become still and worship Jesus Christ, Ground of Being.

The Ramayana records how Brahma's asked his children what they were going to do. Those who said 'raksama', 'we shall protect', became demons. Those who said 'yaksama', 'we shall worship', became demi-gods. A difference of a syllable.

The generation turning 50

The Uranus-Pluto conjunction of those born 1965-66 is aspected by the Jupiter-Venus-Mars stellium opposite Chiron. They will thus be able to receive and make their own the wisdom and grace in these letters. This might bring up the shadow in others.

Sophie, the Countess of Wessex is one of those who are thus blessed. Her chart is remarkable indeed to feature a grand trine with this conjunction, Jupiter on one side and Venus-Mercury on the other.

The "Marranos"/"Jews"

We can see that they have come to try to claim Kate and "put her in prison". Kate is blessed in that she carries her 'Royal fetters' lightly. The stellium is trine her Sun-Chiron natal trine. The resulting glow is on her face.

We suggest that Kate research the history of the word 'Jew'. Starting points:

<http://www.sweetliberty.org/issues/israel/freedman.htm>

http://www.overlordsofchaos.com/html/origin_of_the_word_jew.html

<https://en.wikipedia.org/wiki/Marranos>

There are many 'Jews' who wander in a delusion about this. The truth must be researched and told. Those who go on repeating the mantra about being 'chosen' people are idiots who fail the test set by Moses in the Torah, which he clearly says is there to "witness against you" [Deut. 31:26].

We send our love to YHVH for Your Majesty!

Yours faithfully,

Draft Note for His Holiness Pope Francis: Re:

http://en.radiovaticana.va/news/2015/10/27/pope__pastor_bonus_norms_still_apply_at_the_roman_curia/1182366

Be not dismayed.

8:22 But Jesus said unto him, Follow me; and let the dead bury their dead.

The /commination/ of the Lord can be seen against the attempt to run the Holy See as a rotting, corporate entity - the lightning strike on St. Peter's at the resignation of His Holiness Pope Benedict XVI.

We were about to send this fax early AM with the above note when we discovered that both numbers for the Pope were unreachable. So is President Putin's fax.

To be continued. Our typist F. Fingers can't cope. Our "J'ai l'anus qui adhere" editor M'Strophe complains about the typist and the language. It appears that European nitwits are a bit "Hangry".

More anon.

Our letter to Hotel Imperial has been copied to Your Majesty. It is published here:

Our letter to Pope Francis, copied to Your Majesty, regarding the commination is here:

News dots:

1. There is "grey" 'news' regarding the Russian airliner crash.
2. There may be a threat of a "V3" weapon to terrorise London found in the chatter. The Iraqi supergun affair comes to mind. There is an unfinished building 'V3 Tower' in Dubai.
3. The "House of Lords" is in battle formation. 'They' have pulled quite a 'scary' trick, wearing "green" paint. Muppets? Who is the muppet master? Ah yes.
4. A 'Spanish woman' is seen, appearing to be "drunk". She knows who is who and who wants to fuck her.
5. Some ladies are out "hunting"; one of them is dressed as a "warrior". Quite the costume.

For five centuries the game has been steal USA from England. All the European idiots fought mindlessly over it.

The "Marranos" have, as a result, a "we shall get *them* to fight" policy. It is packaged for atheists and branded 'them Muslims'. The leading atheist just has to look in the mirror. He's raised his fist, ready to fight, 'like a Muslim'.

The psychic infection of the Ottoman Sultan is now on every western dick. They are more 'Muslim' than the ol' Sultan.

Allah, Ground of Being, YHVH, our LORD Jesus Christ, has arranged quite an "in your face" kind of mirror. The Spanish went to America and sold silvered glass mirrors to the natives. This has returned as 'U C C Mirror Reflection'. The Spanish rushed into the Moorish kingdom when they were prosperous and 'civil'. The Latin types weakened Rome with sex. The English spent a lot of effort to avoid a 'Spanish Inquisition'. The 'Papal' efforts to control and mitigate the Spanish Inquisition were ignored. This 'mirror reflection' message of the LORD God, YHVH is present in this Court of Record. It happened in the time of Moses. In the effort to run away from the Pharaoh, the tribe became "stiff necked", like the Pharaoh. We won't listen to the Pope ... or this Court of Record. c.f. The Oedipus complex.

Charming. "We *shall* get *them* to fight" is the 'grey' message in the daily noose. Ah, the noose, the noose, the noose. Sub surface mineral rights.

Who issues these as money?

"Permit me to issue and control the money of a nation, and I care not who makes its laws!"
famously attributed to Mayer Amschel Rothschild (1744 - 1812).

We suggest that Mr. Rothschild, the Saudi Princes, the idiots of the 'sacrifice', for example Mr. Soros, surrender unconditionally to this Court of Record of YHVH. All sub surface mineral rights are wrested in Admiralty by this Court of Record of YHVH.

Arrest Warrant in Admiralty

It is our wish that the leading Dangerous Idiot, the living man known as Mr. Nils Daniel Carl Bildt of Sweden is captured and incarcerated in the Tower of London for leading the 'sacrifice' in Ukraine / South Sudan, the Sin of the Calf [Exodus 32], and encouraging "the balkanisation" of Britain. "Bildt warns of British 'Balkanisation' - FT.com" [<http://www.ft.com/cms/s/2/1a45b9bc-e258-11e3-89fd-00144feabdc0.html>]. It is our wish that Mr. Assage walk free. We do not recognise any 'independence' or 'Sovereignty' in the EU, Sweden, Parliament, the City of London or England or any other power regarding this matter. Necessary force is authorised to carry out this wish of this Court of Record of YHVH, any objections notwithstanding. The King of Sweden is already an Honorary Admiral of the British Navy. He is ordered to arrest the living man Mr. Nils Daniel Carl Bildt of Sweden and deliver him to the Tower of London. Mr. David Cameron and Your Majesty's government are ordered to do what must be done.

It is the prerogative of the Sovereign to decide what shall be the money: Mixed money case of 1604. The Sovereign Plaintiff is the Special Master of this Court of Record of YHVH. Your Majesty is witness. By becoming 'still and silent', Your Majesty has this most majestic attribute of YHVH.

"Silence is eloquent speech" ... Sri Ramana Maharishi.

We send our love to YHVH for Your Majesty.

Yours faithfully,
