Dear Sir,

We have forwarded a courtesy copy of two faxes for discussion with Mr. Cameron. You would want to ask the English about the meaning of:

- (1) "Chose in Action"
- (2) "The Jesuit joke about the search of Parliament by the Yeoman of the Guard"
- (3) 'Toro de Osborne'
- (4) 'Cameronian'
- (5) 'Portuguese Jellyfish'
- (6) "Britain's invisible foreign policy" - to quote John Kerry.
- (7) "Grey"
- (8) "Knock on wood and see that it is good"

We believe that you will see how Common Law is 'Open at the Top' and why this is a blessing and competitive advantage for the English speaking people and is the way of the Tao.

The tyranny of closed societies that "bury thing under the carpet" and "put lipstick on a pig" do not result in the way of the Tao.

We would suggest that Xi Jinping push for a meeting with this 'unseen' author on an immediate basis, no matter what travel may be necessary as a consequence. Such a choice will open the entire American continent to the Chinese.

We contemplate Tao in stillness for all of thee!

Yours faithfully,

Joseph Ray Sundarsson

Dear Mr. Cameron,

The fax we have just sent to the Bishops of Rome follows. It is our wish that you expedite a copy to Her Majesty The Queen and follow up with Rome to ensure that both Bishops of Rome got their a copy.

The 'gold plated' nuclear deal is a "classic" move, a Chose in Action. It sounds important. Have no illusions about the matter.

We have seen 'Vertigo' in the recent news. Don't get vertigo. Walk that high wire with faith.

We send our love to YHVH for thee!

Holy Fathers,

Ave Maria,

The Book of the Prophet Jeremiah 23:1-8 is the scripture that Our Immaculate Virgin Mary has shown us:

23:1 Woe be unto the pastors that destroy and scatter the sheep of my pasture! saith the LORD.

23:2 Therefore thus saith the LORD God of Israel against the pastors that feed my people; Ye have scattered my flock, and driven them away, and have not visited them: behold, I will visit upon you the evil of your doings, saith the LORD.

23:3 And I will gather the remnant of my flock out of all countries whither I have driven them, and will bring them again to their folds; and they shall be fruitful and increase.

23:4 And I will set up shepherds over them which shall feed them: and they shall fear no more, nor be dismayed, neither shall they be lacking, saith the LORD.

23:5 Behold, the days come, saith the LORD, that I will raise unto David a righteous Branch, and a King shall reign and prosper, and shall execute judgment and justice *in* the earth.

23:6 In his days Judah shall be saved, and Israel shall dwell safely: and this is his name whereby he shall be called, THE LORD OUR RIGHTEOUSNESS.

23:7 Therefore, behold, the days come, saith the LORD, that they shall no more say, The LORD liveth, which brought up the children of Israel out of the land of Egypt;

23:8 But, The LORD liveth, which brought up and which led the seed of the house of Israel out of the north country, and from all countries whither I had driven them; and they shall dwell in their own

land.

We have read the various 'Circulus' reports; which sounds about right.

There is no should-be-ought-to-be-why-it-ain't-so world. The 'judgement' of our Father upon the race of western 'men' is writ in bold on the face of it: " Rev 3:17 Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked:" ... and thou hast not even a woman to call a wife!

/Reductio ad absurdum/ can be seen at work. Those who were 'cock sure' of themselves, find that Chancellor Toro de Osborne has no bull and Ol' Gov' Carney has no meat.

Our Holy Fathers must, by now, have a copy of our letter to Xi Jinping regarding his London visit.

Romans 4:3 For what saith the scripture? Abraham believed God, and it was counted unto him for righteousness.

...

Romans 4:6 Even as David also describeth the blessedness of the man, unto whom God imputeth righteousness without works,

Romans 4:7 Saying, Blessed are they whose iniquities are forgiven, and whose sins are covered.

Romans 4:8 Blessed is the man to whom the Lord will not impute sin.

We suggest that Our Holy Fathers "seize the day, seize the hour", to quote Xi Jinping and bring him on a journey to "justify thy faith".

Dear Mr. Cameron,

The Jesuit joke about the search of Parliament by the Yeoman of the Guard is upon you.

When the office of 'Prime Minister' and 'First Lord of the Treasury' were created by Jesuitical Exegesis they did not leave a manual for the Prime Minister with this explanation.

Given that the Crown Temple system ended up in 'their' control, together with the control of the Secret Service (GCHQ/NSA/MI6/SIS/Chaos/CIA/Mossad/SS/whatever) and the control of the Hollywood & Music 'industries'; not to forget 'Christian' Priests; you can already see new plans for subliminal manipulation festering in the ether.

That 'sex sells Apples' is well known; the marketing that made Apple II a success had 'free love' communes, for example, where all the 'men' had vasectomies.

The Turing Sodomites of the GCHQ have a Darwinian affinity for biting the Apple at 'free love' communes. That 'Apple' and 'GCHQ' are managed thus and the Apple data centre is now located in Denmark is no small coincidence.

That you have been manipulated in the Jesuit tradition into supporting Apple Communism is evident

by your plans for putting the back-doors of the Empire of Sodom into everything.

That the medical companies who created and spread Ebola and other viruses have bent your ear is visible:

<http://www.telegraph.co.uk/news/worldnews/ebola/11657120/David-Cameron-G7-must-wake-up-to-Ebola-type-threats.html>

That plans for a Jesuitical fake alien invasion by 'Greys' has been made public by the Astronomer Royal, Prof Lord Rees:

<http://www.telegraph.co.uk/news/science/space/11657267/Astronomer-Royal-If-we-find-aliens-they-will-be-machines.html>

That the slaves of the Justice Department are sodomised by the Greys is evident in the name of the Justice Secretary Rt. Hon. Chris GRAYling, MP.

Contrary to the popular press, His Holiness Pope Francis has NOT endorsed the Laudato Si encyclical.

Contrary to impression of a casual reader, the Seal of the 'Holy See' has been fraudulently impressed here:

The burning sensation created by the Potsdam Missile is visible in the face of Archbishop Joseph E. Kurtz of Louisville, Kentucky:

That the Vulture worshipers wish to enter the corporate cadaver of The Treasury is evident here:

<http://www.telegraph.co.uk/finance/budget/11724067/July-Budget-Introducing-Prime-Minister-George-Osborne.html>

"The Chancellor of the Exchequer is a mafia don with his own family, a good thief, and a real contender for the premiership."

How the Jesuits used the 'Sovereignty of Parliament' to defeat the the 'Rule of Law' was recorded in 1929 in 'The New Despotism' by Lord Hewart of Bury, Lord Chief Justice.

" Writers on the constitution have for a long time taught that its two leading features are the Sovereignty of Parliament and the Rule of Law. To tamper with either of them was, it might be thought, a sufficiently serious undertaking. But how far more attractive to the ingenious and adventurous mind to employ the one to defeat the other, and to establish a despotism on the ruins of both."

How the Civil Service secretaries work with Parliamentary Committees to defeat ministers and the British Cabinet is well known. This is your daily life.

That the Euro is dead and E.U., ECB, SNB and BIS along with it, are the corpses for a postmortem by a legal coroner.

That there are no prices set in gold is now well known. This and more we have covered in our

Amicus Curiae for Chartered Accountants. [www.courtrecord.org.uk/QE2-2]

We uphold the Common Law analysis of Justice Martin V. Mahoney and the Jury in the Minnesota Credit River decision. The bastards have been busy trying to bury it.

A 'Federal Reserve' note, or a British Pound, or a Swiss Franc, etc., is just paper and ink. No substance is at risk. We see no difference with that and a bank statement.

The very word 'statement' means a bunch of words and/or numbers printed on a piece of paper: it may or may not represent anything at all.

The world-wide Consolidated Fund is the International Monetary Fund (IMF). That they have to work with a 'gold certificate' of the gold confiscated in the 'secret' 1933 bankruptcy of the United States.

The 'Human Rights Act' is there to protect Members of Parliament, for example, yourself, and 'bankers' from being sent to the Tower of London for failing to defend the property rights of the men, women and children of England, Wales, Scotland, America, Russia, France, etc., Such also applies to M.E.P.s. and useless idiots at the United Nations or the International Criminal Court.

Why is this so? You have all been Legal Idiots and are as such managed under the Consolidated Fund.

That 'Greek Lighting' has gone down the pants of lecherous idiots is available on the face of the daily news.

" Mr Osborne is proving to be a good thief, adept at pinching bright ideas from others. ... " He is no different from the Jesuits, Cardinals and Bishops His Holiness Pope Francis has publicly lamented about, who are quite content to let this Court of Record make advances in private, which they hope to line their pockets with.

The irony is, that the 'ideas' Mr. Osborne wishes to 'pinch' are the best kind of 'intellectual' property: you can publish them, idiots can 'pinch' them, but it just makes their donkey emit braying noises in pain. True 'intellectual' property is a functioning intellect. We are not talking about the mechanical ability to do sums or integral calculus - or even the ability to do that and simultaneously play Chess, Politics and Poker.

God is Pure Intelligence; the escape from solipsistic box of 'Space-Time-Existence' to 'Bliss-Intelligence-Being' is within - this is salvation - or 'G O D' ... it is quite funny to see supposed reverence by 'Jews' who leave out the O in the acronym, G-D. We leave the investigation of the acronym to the curious. Those who control that 'Artificial Intelligence' computer which has failed to predict the course of events can read 'The Emperor's New Mind' by Roger Penrose. The real reason for 'A.I. Winter' is now clear. Perhaps you can ask a person who advises you, whose name is brought to your mind by this paragraph. The subsequent suggestion might be 'automatique'. Therin is the seed of a solution to some of your problems.

In short, the Crown Temple Jesuits have deceived you into believing you are 'Prime Minister' in charge of a 'Cabinet'. Do you store cutlery? Or is it 'green tree' brand toilet paper?

Perhaps it may now be clear why we made the suggestions earlier to not hold the elections.

We suggest that the Allies for the Rule of God's Law provide the latest force to accompany Her

Majesty The Queen or Her Majesty's designated Regent, with all due speed, to, together with His Holiness Pope Francis, constitute the members of this Court of Record.

Yours faithfully,

Joseph Ray Sundarsson
