Dear Sir,

In Ref to:

Our recent fax [[www.courtrecord.org.uk/belgium](http://www.courtrecord.org.uk/belgium)] to the Kingdom of Belgium follows. You may be preparing for trouble at the wrong border. In addition, we suggest you download, print and study: [www.courtrecord.org.uk/uscong](http://www.courtrecord.org.uk/uscong)

However, it does appear that progress is being made:

> "Unfortunately", said Pope Francis, "each of us looks a lot like a tree that has  
> shown to be sterile for many years. Fortunately for us, Jesus is like the peasant  
> who, with limitless patience, gets again an extension for the barren fig tree..."

Our Immaculate Virgin Mary has shown us that the "Who is 'Belgium'?" question is rattling those who believe they can continue this "sock puppetry" of "nations". Mr. Cameron, for example, is the "sock puppet" of the Holy Roman Emperor, a title placed with the House of Bourbon in Spain. Who is 'GERMANY'?

She has also shown us the plans for "Armageddon" ... full scale warfare in Israel. She has shown us how these plans have been long in the making, from the time of the Holocaust, and the shipping of Jews to Israel.

The news item, which \*apparently\* purports to reflect your 'inner' thoughts, shows that the Roman Priests of death are invoking the famously 'dense' German male-blood-wurst mind to ejaculate death across Europe.

See our recent explanation [[www.courtrecord.org.uk/FC16\\_full](http://www.courtrecord.org.uk/FC16_full)] regarding pork, ignorance and picture language of God, in our letter to the Financial Cryptography FC16 conference. YHVH is 'speaking' your body in front of you right now. Have an erection? God entered it. Flaccid? God did not enter it. Discrimination before God that "life is a precious gift" is a responsibility placed on males - before conception and in battle or in making decisions. Hence 'tribal elders' would insist that this is demonstrated by circumcision in front of God and the entire tribe of adult males assuming responsibility in tribal society.

For the German (and white European) male mind to evolve to witness finer perceptions of YHVH, and to assume world-responsibility, they must first demonstrate control over their tongue. What do you like to eat?

We send our love to YHVH for thee!

Yours faithfully,

Joseph Ray Sundarsson
