"Koo-oooh-roo-ooo-h" She sings, drunk on a bottle of Single Malt Scotch Whisky, and Her ten arms are seen in the Sidereal Sky; "k ...shea a a a tRAaaaah" !

Neptune opposite Node+Alioth, Saturn+Antares opposite Aldebaran forming a Grand Cross, pierced, "in the heart" by Pluto+Mars+Vega opposite Sirius, Sun+Spica opposite Ceres+Andromeda, Uranus opposite Mercury, Moon opposite Venus.

If even a spark of that Vision should touch thee, dear reader, it would cause each hair on they skin to turn into a sex organ and thy pores ejaculate beads of sweat!

"He-eee-ee-l-ii-eee-ooo-um", sings Mahakali as She shows a little red-headed boy like William of Richmal Crompton, "striving towards the sun", playing red-Indians with a "toe-oh-ka-ma-aaak", an axe.

The Channel Tunnel is closed due to a power outage, says the news. French police officers are on strike, M.I.T. announced near-blue success with a fusion reactor. Should the Joint Intelligence Chief check his information screens, he will find it revealed that combined U.S. and Russian aircraft carrier battle groups are sporting with F15 formations in the North Sea.

"Is there a Hydrogen Bomb on French soil that is primed to go off so violently that it would take Europe and Britain with it?", is the question to ask, and is this the threat those Cunts of Darkness, who are in bed with the British Permanent Secretary of the Treasury and The Clerk of the Parliaments, have invoked to avoid arrest?

"Listen to a story. A man said to his friend, 'I have just seen a house fall down with a terrific crash.' Now, the friend to whom he told this had received an English education.

He said: 'Just a minute. Let me look it up in the newspaper.' He read the paper but could not find the news of a house falling down with a crash. Thereupon he said to his friend: 'Well, I don't believe you. It isn't in the paper; so it is all false.'
(All laugh.) -- Sri Ramakrishna Paramahansa.

Meanwhile, The Indian Defence Minister expects us to believe that, if the Chief of the Indian Army claims in the news that, as Sri Mahakali interjects, "Jawans have landed on the Moon", we should believe him.

"Equipped with such arms, our lady the Common Law may take to herself the praise of the lover in the Song of Songs. Her justice is as fair as the moon, clear as the sun and terrible as an army with banners." -- Sir Frederick Pollock, The Genius of The Common Law.

We believe, that should Your Majesty make the appropriate enquires, Your Majesty shall find that U.S. Navy and Air force Judge Advocate Generals (JAG) specialised in Maritime and Admiralty law are "on standby" to make arrests of "bankers and mucky-mucks", at Your Majesty's pleasure.

Clock in the sky now says Moon is now trine Jupiter.

We send our love to YHVH for Your Majesty!

Yours faithfully,
