Your Holiness,

Ave Maria!

The clock in the sky has the Moon having gone past Venus, racing towards the solar eclipse of the night of 8th..9th March. Venus, Mercury conjunct Fomalhaut, Neptune, Ceres-Sun-Chiron stellium, cover a little less than 1/12th division of a circle. Jupiter+Node are opposite the Sun.

> "For it is a terrible thing that I will do with thee", [Exodus 34:10] said YHVH to
> Moses, "Ex 34:13 But ye shall destroy their altars, break their images, and cut
> down their groves: 34:14 For thou shalt worship no other god: for the LORD, whose
> name is Jealous, is a jealous God".

"Men' know thy limits" says the LORD as the gentle Mother Mary.

We have interceded, as did Moses, "34:9 And he said, If now I have found grace in thy sight, O LORD, let my LORD, I pray thee, go among us; for it is a *stiffnecked* people; and pardon our iniquity and our sin, and take us for thine inheritance."

Mother Mary has shown us Your Holiness' predicament; "I'm fucked", thou thinks to thyself, as we can see that thou art surrounded by *stiffnecked*, hardened fuckers, as Moses himself is describing in 'subtle' picture language'. Ding dong, Mr. Pell?

Ask the Roman Priests - who are, as a rule, clean shaven:

- why images of Jesus are always shown with a beard?
- what is the secret about the Adoration of the Mystic Lamb in the Ghent Altarpiece?

Mother Mary has removed from many of thy flock, especially those in the Cult of Mary, the ability to contemplate the Father. They say they contemplate the gentle mother 'Mary', but do they?

We have not seen one example successful contemplation of the Crucifixion of Jesus, or of the Holy Bible. Mother Mary has shown us that the '14 stages of the cross' taught by the Jesuits, is a farce. The gentle Mother Mary has shown us why this is so. We suggest Your Holiness ask some questions and find out why.

There are 'successful' examples of the contemplation of the Holy Bible, which have resulted in great wealth, fortunes, and ... computers. Ask those you know what is it about computers what relates to the Holy Bible? From Genesis to 'the bottomless pit' is found in a computer, for example, in an Android phone. The 'tares' in the field of computers have it not.

> 'Wretched woman, whither are you running in so disorderly a manner?'

We suggest that this essay be read by those on 'retreat' for Lent.

and then contemplate the 'migrants' who have the 'faith' in Allah, One, Father, Jesus Christ, to 'risk' death to reach Italy, Germany, Belgium, Sweden, etc. Who is Christian? To whom must the gold in trust be 'returned'?

We send our love to YHVH for Mother Mary and thyself!

Yours faithfully,

Joseph Ray Sundarsson
