Open Letter
Amicus curiae
02 February 2017

May it please Your Majesty,

In the name of YHVH, Truth, Our Lord Jesus Christ, greeting!

We have before us a number of men and women, wearing the cloak of apparent authority, who cannot read and understand, who wish to "tilt at The Windmills" of The Law of Our Father, YHVH, our LORD Jesus Christ, who set Cherubims in the Garden of Eden c.f. Genesis 3:24, to keep the way of the Tree of Life.

Genesis 3:24 So he drove out the man; and he placed at the east of the garden of Eden Cherubims, and a flaming sword which turned every way, to keep the way of the tree of life. The First Book of Moses: Called Genesis, King James Bible

His Excellency Donald John Trump has taken an "oath" of office as President of the UNITED STATES, a corporation with no territorial extent and His Excellency Michael Richard "Mike" Pence has taken a longer "oath" of office as Vice President of the UNITED STATES OF AMERICA, which begs certain questions a perspicacious reader might ask.

Rt. Hon. Theresa Mary May, M.P., whom we have created *Housekeeper for Your Majesty's Commonwealth*, is reported to soon visit the island known as Malta, in which there are a number of men who fancy themselves as the SOVEREIGN MILITARY ORDER OF MALTA, a name in business, with access to some "big hammers".

It is the problem of the ages, which we shall picture as a bunch of Egyptians of the Stone Mason's Union, clutching a hammer in one hand and their dick in the other, shouting, "Baaal Baaal", see how powerful we are.

Our *Amicus curiæ* letters to assist His Holiness Pope Francis and Your Majesty with the dissolution of the UNITED STATES, the Federal Reserve, the EUROPEAN UNION and the UNITED NATIONS are published at www.courtofrecord.uk.

Required reading deemed inserted here at this point is our Open Letter to Prof. Dawkins, which can be read online at www.courtofrecord.uk/Dawkins, which outlines the epistemology described in picture language, in Genesis, of the Garden of Eden.

Magna Charta 1215

The Great Charter ... Magna Charta of 1215 ... which gave rise to this written form of a **Court of Record** that we use, is the substance of a Sovereign Court process, when The Law of the Court is the Law of YHVH summarised by our LORD, Jesus Christ, YHVH and I is One, c.f. John 10:30.

Subject: The law requires citizens to pay Income Tax

I'm ready to show you the law.

However, there is one problem: You may not be able to understand it.

Because persons can't figure it out they get convicted.

It will take quite a bit of thoughtful study for you to see it.
Once you see it, you'll be kicking yourself for overlooking the obvious.

I'm not so certain you are up to the effort required to see it. (Most persons are not, which is why the gov't gets the convictions.)

By the way, not only can I show you the law,
I can also show you the courtroom solution, the antidote if you will.
I can also show you how to bring suit in such a way that not even the Supreme Court may review a court decision in your favour.

Please call.

Do you want me to show you the law?

To the extent that you are serious about considering my points,
to that extent I'm serious about showing you the how & why the IRS gets convictions.

No \$\$\$ cost to you, but you may have to spend some time to understand it.

By the way, I can also show you how to counteract the law.
I've identified the problem, and I have the solution.

Although I can show you the law, just showing you the law is not sufficient. You must understand the system that produces that law. Below you will find a brief outline of that system and how it leads to a law requiring one to do whatever the IRS wishes.

It's actually very simple. The information here is described in much greater detail at <http://www.1215.org/lawnotes/lawnotes/foundation.htm>
The underlined links provide more information.

Here's the chain of logic:

In the USA there are two systems of law: Roman Civil Law and Common Law. Roman civil law is the law of the legislature. Common law is the law of the people.

Attorneys are well trained in Roman civil law, but they have near-zero training in common law. However, the common law trumps Roman civil law. **Even the Supreme Court of the USA may not second guess a decision of the common law.**

A court is defined as "the person and suit of the sovereign." That means that the plaintiff is the sovereign and owner of the court. In any action at law, legally speaking, the plaintiff is the king and retains all powers for himself, including the power to make court judgments. A judge of a court only has those powers which are delegated to him by the plaintiff king.

"The very meaning of 'sovereignty' is that the decree of the sovereign makes law."

A court of record is the only fully empowered [superior] court in America. All other courts are inferior courts.

Ask any attorney and he will explain that a court of record is a court that keeps a record of the proceedings and has the power to fine or imprison for contempt. That's only half the story. The rest of the story is that it is a court that proceeds according to the common law (no statutes), and the tribunal (the one doing the judging) is independent of the magistrate (the judge). Notice that in a court of record the judge is not allowed to do any judging; judging is reserved to the tribunal. In a court of record there are only two entities that are true tribunals: the sovereign of the court (the plaintiff), and the jury (if present). Several times I have fined judges for contempt of court when they refused to obey the law of the court.

The IRS strategy is simple.

The IRS opens a court of record. In the accusatory papers the sovereign accuser decrees the law: "Defendant is required to file." Right there, believe it or not, is the sovereign decree that creates the law in accordance with the rules of the common law.

Defendants are famous for demanding that the law be shown to them. The "law" is contained in the accusatory papers, decreed by the sovereign plaintiff.

The defendants do not recognise the law when they are looking straight at it. Because defendants don't see it, their entire strategy is not relevant to the accusation. A perfect example of this was in the Dick Simkanin case.

Defendants are correct when they claim that there is no statutory requirement to file. But, that is not the question before the court. The real question is, "Did you, or did you not, file your papers as required by the common law decree of the sovereign plaintiff in this court of record?"

The defending strategy is equally simple.

The proper tactic is to do a counterclaim which challenges jurisdiction. Just as in football, the best defence is a good offence. It is in the counterclaim that the legitimacy of the plaintiff's sovereignty may and should be challenged, because **no government entity in the USA has sovereignty**. The defendant becomes the sovereign counterplaintiff, and the plaintiff becomes the questionable counterdefendant. Because no sovereign can legislate against any other sovereign, it follows that the counterdefendant has no legitimate authority to decree any law applicable to the counterplaintiff.

That is a broad-brush explanation. There is a lot more detail involved which I will be happy to give you, if you are interested. At the web site there are three 8-hour lectures that go into great detail. The most relevant one is at <http://www.1215.org/lawnotes/lawnotes/lectures/sovereignty/index.html>

Perhaps we could talk on the phone. If we do, I suggest that you record the conversation for your

future reference. The best times for me are after 7pm PST, Monday thru Friday, and any time Saturday & Sunday. During those times I can call you back at no cost to either one of us.

COMMENT BY BILL THORNTON

Bob Schulz has not yet replied.

Most people have a hard time believing that there is another superior system of law in the USA. Perhaps Bob Schulz feels that way. Or, maybe he is too busy.

The website, www.1215.org, has the information to invoke the superior law of the people and stop abuses by the IRS. Those who take the time to understand the information on the website have had some very interesting successes in stopping IRS abuses.

This Amicus curiæ extracted above, served on "U.S. CONGRESS d.b.a. Speaker Ryan", SCOTUS, Cardinal Dolan, DHS, US Secret Service, Mayor NYC, UK Supreme Court, First Lord of The Treasury, JAG Admiralty Maritime Law, US Coast Guard, is deemed inserted in full at this point and is published at: www.courtofrecord.uk/oaths

... **Statutes do not apply**, for example, Posse Comitatus Act. **Statutes come from the Muslim Ottoman Sultan.** ...

This Amicus curiæ extracted above, published at www.courtofrecord.uk/statutes has been read by the who's-who. It is deemed inserted in full at this point.

In our microcosm, we have the son of Lady Jacqueline Eugene Mackay who has been imprisoned by some such idiots shouting, “Baaal Baaal”, see how powerful we are, in the land known as Marin County, California, who think they shall get rich by bond trading.

In our letter to the Prime Minister on 27th January 2011 we wrote:

*I am aware that the **position of Prime Minister does not come with a nice manual that explains, among other things, the nature of international corporate sovereignty and of the long range planning of financial war.** ...*

*This court has mounted an enquiry into the establishment of **international trafficking in persons as an 'acceptable' method of bonding the men and women** on the land and trading these instruments, starting with the birth certificate, as taxable futures. ...*

Extracted above are lines 2093 - 2099 of our Letter Rogatory to the British Cabinet/Parliament, published at www.courtrecord.uk/British-PDF, which is deemed inserted in full at this point, along with our letter to the Prime Minister published at www.courtrecord.uk/Cameron.

The creation of money-of-account by Colour of Law **fraud** by learned judges, is nothing other than the Worship of the Calf, c.f. Exodus 32, for which the default judgement is **death by slaying** c.f. Exodus 32:27-28.

The right and proper use of Bills of Exchange is the means to sustain men, women and children, the LORD as *Purusha*, the Body of Christ, commonly [mis]-identified by the phrase, 'We The People'.

Our Amicus curiæ to Her Majesty Queen Elizabeth [II] published at www.courtrecord.uk/QE2-2-PDF outlines the method by which bank-money-of-account has already been replaced, which is deemed inserted in full at this point. Additional material made available to those who need to know has outlined the method to replace inter-bank settlement of USD liabilities without major trauma.

The purpose of this letter is to initiate the peaceful dissolution of the corporate 'United States', a judicial entity that has no life force of its own, modelled on the Islamic Sultan, and its replacement with living men and women who are masters of *their* destiny, servants of *all* people and become beloved of YHVH, Our Father, the blessed **One** who has Mercy with His world.

Our Amicus curiæ to The Honourable Mr. Barack Obama, quoted above, is published at www.courtrecord.uk/US-PDF, which, together with cover letters, is deemed inserted in full at this point.

The result of these letters is the slaying of the Medici-Orsini dual Roman Caesar which operated the UNITED STATES, RUSSIA, etc., from behind the scenes.

"Just as when Rome fell to ruin at the advent of Jesus Christ and Luke 19 & 20 established the Trust Law and vassal kings of Caesar now owed allegiance to the Bishop of Rome, the removal of the Medici-Orsini dual-Roman Caesar means that all Chattel property and vassal kings are the Chattel Property of YHVH in this Court of Record of YHVH and the kings owe their allegiance to YHVH and The Law of YHVH".

Necessary force is authorised to slay those who continue to use Colour of Law fraud, for example, Judges and the I.R.S.

Lady Jacqueline Eugene Mackay has appeared in this Court of Record of YHVH as Plaintiff vs Gov. Brown and the judges of CALIFORNIA. Her case is published at www.courtrecord.uk/Mackay-1 and is attached.

It is our wish before YHVH as Lakshmi Narasimha that Gov. Brown and the learned Judges of California learn that "there is no money", and release Lady Jacqueline Eugene Mackay's son.

We send our love to YHVH for thee!

Yours faithfully,

Exodus 32
Worship of the Golden Calf

Her Majesty Queen Elizabeth [II]
Magistrate

May it please Your Majesty,

Fionn O'Lochlainn is my son born 4th March 1970 in London England. He moved to America in 1999. He met with Nikki Ohartz and on 7th May 2015 she had a daughter Sophia-Liana Mercedes O'Lochlainn. They lived in Pahrump Nevada and in April 2016 his son was born also in Las Vegas. His name is Dru Arran O'Lochlainn. After a year in Pahrump they moved to Portland Oregon.

On the 9th day of January 2017 Fionn O'Lochlainn rode to Marin County where he has been arrested with an allegation of kidnapping his own daughter.

It appears that a bail bondsman and the Marin County Court are attempting to place a bill of exchange on deposit in order to worship the golden calf by using colour of law fraud.

His hearing was only about the bail. The money was reduced from half a million dollars to fifty thousand dollars. His public defender's advice was to confiscate his passport and tie him to a bond for fifty thousand dollars on his trade. Whereas there is no money.

Exodus Chap. 32 verses 27,28, makes it clear that the punishment for worshipping of money is death. This is the default judgement.

Exodus 32

32:27 And he said unto them, Thus saith the LORD God of Israel, Put every man his sword by his side, and go in and out from gate to gate throughout the camp, and slay every man his brother, and every man his companion, and every man his neighbour.

32:28 And the children of Levi did according to the word of Moses: and there fell of the people that day about three thousand men.

It is my wish that the Bail bondsman and Marin County Court are forgiven in this stupidity and that they shall release the living man known as Fionn O'Lochlainn at once.

Yours faithfully,
Jacqueline Mackay

Dear George W. Bush,

Mahakali has shown us that the rotating mechanism on the High Gain Antenna to announce His peace is a bit "burnt out"; that there is an offer to "fix it"; that the "campus" has a number of "coniferous trees" that were scheduled to be cut by the "woodcutter", "en masse".

Manifest **before thee**, thy father, [who we have read, is not coming to Washington, "due to illness",] Putin, The Pope and Her Majesty The Queen,
are the men in "High Treason" to YHVH, Our LORD Jesus Christ.

Ye already have the sword, embellished with the gems of judgement of YHVH, One most Holy, Exodus 32, Leviticus 20, 20:13, Numbers 25.

We have asked for what is applicable scripture for today:

> 39:20 Thus ye shall be filled at my table with horses and chariots,
> with mighty men, and with all men of war, saith the Lord GOD.
>
> 39:21 And I will set my glory among the heathen, and all the heathen
> shall see my judgment that I have executed, and my hand that I have
> laid upon them.
>

> 39:22 So the house of Israel shall know that I am the LORD their God
> from that day and forward.
>
> 39:23 And the heathen shall know that the house of Israel went into
> captivity for their iniquity: because they trespassed against me,
> therefore hid I my face from them, and gave them into the hand of
> their enemies: so fell they all by the sword.
>
> 39:24 According to their uncleanness and according to their
> transgressions have I done unto them, and hid my face from them.
>

It is thy day of choice, son, The Decider. Mahakali has shown us that
ye
shall have to clear the "coniferous woods" of "poisonous hemlock", that
is, those who wish to poison the Word of God.

We send our love to YHVH as Lakshmi Narasimha for thee!

Open Letter
Amicus curiae
11 January 2017

Dear Donald,

In the name of **YHVH, Truth**, Our Lord Jesus Christ, greeting!

A revelation of The Law is in the stars for thee! What is this The Law?

Hear now the deeper teaching of the Yog,
Which holding, understanding, thou shalt burst
Thy Karmabandh, the bondage of wrought deeds.
Here shall no end be hindered, no hope marred,
No loss be feared: faith--yea, a little faith--
Shall save thee from the anguish of thy dread.
Here, Glory of the Kurus! **shines one rule--**
One steadfast rule--while shifting souls have laws
Many and hard. Specious, but wrongful deem
The speech of those ill-taught ones who extol
The letter of their Vedas, saying, "This
Is all we have, or need;" being weak at heart
With wants, seekers of Heaven: which comes--they say--
As "fruit of good deeds done;" promising men
Much profit in new births for works of faith;

In various rites abounding; following whereon
Large merit shall accrue towards wealth and power;
Albeit, who wealth and power do most desire
Least fixity of soul have such, least hold
On heavenly meditation.

John 10:30 I and my Father are **one**

One is singular, BEING, a singularity, found as a result of a collapse of the space-time appearance of thy false self, the ego along with it's body and world/universe in which this "flesh" body appears to live. This is salvation, a plunge into everlasting-time-less Life!

This BEING, without space-time, which the ancients called ether, without earth, air, fire and water, is the Living God, That Which IS, known as YHVH to the Hebrews, Allah to the Muslims, Ra to the Egyptians and Brahman or Shiva to those who live East of the Indu River. This BEING is That from which the "big bang" proceeds, the Source of all Power, from which force from the slightest to the greatest arises.

This Power, The Kingdom of Heaven, veils itself *within* thee. The projected false self, the ego, known as Satan to the Christians, is easily tempted into many a foolish endeavour by the power of the "serpent", the worm-hole from which thy sense of space-time arises from within.

Governor General not President

We have seen news items of supposed blackmail. What they are trying to tell you, because they cannot say-so directly, is DO NOT become President. The White-House, The Capitol and SCOTUS shall be demolished. If thou look carefully, ye shall see the White House layout shown in the image to the right signifies in picture language, "death".

This means, of course, putting your China Cabinet together to store wads of "green paper", is pointless.

The U.S., U.K., and E.U. corporations, together with lesser entities, MALTA, ITALY, etc., are "dead" which is the root of the word corporate, i.e. corpse. The President is the man at the seance, communing with the dead Ottoman Sultan and the late Medici CAESAR to come up with better ways to kill people.

Serial Killers

Where would you employ serial killers? In the office of U.S. President, and in your local Medici "field hospital". What is the *mens rea*?: Roman Gold Lust.

Ritual Rape of U.S. President(s)

The Medici CAESAR arranged the rape of His Excellency George W. Bush via the C.I.A. The recent memoirs of His Excellency George H. W. Bush call Dick Cheney "iron arse", an act of kindness, that shows before God that his arse-rape was non-consensual. We would not wish that upon thee!

No authority for war

There is no authority for war, yet certain parties within the U.K., U.S., and E.U. corporations, death-cults, the followers of Baal wish for war and mass murder.

Authority in Admiralty has been granted to slay or shoot dead those in the U.K., U.S., E.U., U.N., MALTA, D.H.S., etc., who want war or are creating provocations for war by Colour of Law fraud, serial rape, ritual abuse or murder.

Authority to slay the followers of Baal

Numbers 25:3 And Israel joined himself unto Baalpeor: and the anger of the LORD was kindled against Israel.

25:4 And the LORD said unto Moses, Take all the heads of the people, and hang them up before the LORD against the sun, that the fierce anger of the LORD may be turned away from Israel.

25:5 And Moses said unto the judges of Israel, **Slay ye every one his men that were joined unto Baalpeor.**

25:6 And, behold, one of the children of Israel came and brought unto his brethren a Midianitish woman in the sight of Moses, and in the sight of all the congregation of the children of Israel, who were weeping before the door of the tabernacle of the congregation.

25:7 And when Phinehas, the son of Eleazar, the son of Aaron the priest, saw it, he rose up from among the congregation, and took a javelin in his hand; 25:8 And he went after the man of Israel into the tent, and thrust both of them through, the man of Israel, and the woman through her belly. So the plague was stayed from the children of Israel.

The Fourth Book of Moses: Called Numbers, King James Bible

Matthew 18:6 But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea.

The Gospel According to Saint Matthew, King James Bible

We send our love to YHVH for thee!

10 January 2017

May it please Your Majesty,

High Treason ref courtofrecord.uk/Treason-QBD
courtofrecord.uk/British-PDF

**Her Majesty Queen Elizabeth [II]
Magistrate**

In my letter of 31 July 2016 to The Right Honourable Mr. Speaker John Bercow, regarding High Treason to Your Majesty, published at courtofrecord.uk/Treason-Parliament, he was asked, “If you are just a puppet, **produce the puppet master**”.

We believe that U.K.PLC, masquerading as a Parliament along with its ‘HMRC courts’, was , ‘ultimately on behalf of the **late Italian CAESAR, slain under Exodus 32 and Lev. 20:13**, by the grace of YHVH, *Ground of Being*, seen as Shiva seated on a Tiger Skin, by the grace of Mahakali, who in Vision is combing her *illustrious* hair, pointing to the bunny-rabbit sitting in front of the Tiger’s mouth, saying to itself, “I’m a tiger, not a bunny””, to quote the Special Master of this Court of Record of YHVH from fax.courtofrecord.uk/rTmJlYXt. All chattel property of his, including but not limited to U.K. PLC, its instrumentalities such as banks, medical institutions, corporate Administrators, *et al*, are **confiscated** by this Court of Record of YHVH, as is known to the Common Law, recorded in the 1533 Buggery Act.

We have seen the U.K. police up the ante in Admiralty by “three shots to the head” of a motorist on a highway.

In Essex, the police have, upon purported authority from the Administrators via the idiots in the ‘court’, broken into the apartment of the one we know as James, who was at that time away from the apartment. They have changed the locks and stolen all therein. The Administrators have not paid rent on this apartment, yet they have dispossessed the landlord of it. The rent payments have been made by James in cash and he has been robbed of his possessions.

12. Mr Michael Crane QC for the first to third respondents presented the issue for this court as being whether the 1886 Act excludes in principle a head of loss caused by physical damage to property inflicted by rioters and otherwise compensable under the English law of tort. In advocating a negative answer to that question, he submitted that the words of the 1886 Act contained no such limitation and that the history of the legislation since the 1714 Riot Act (1 Geo I, c 5) was consistent with the **ancient** notion that the inhabitants of the hundred stood surety for the good behaviour of their fellow subjects. The principle was that the liability in damages of the rioter should be transferred to the hundred. That principle survived the transfer

by the 1886 Act of that liability from the hundred to the police authority. The 1886 Act contained no clear language to limit the liability of the police authority by excluding the recovery of consequential loss. In short, the history of the legislation showed that the heads of loss recoverable from time to time in an action against the trespasser were recoverable as a matter of strict liability initially from the hundred and since 1886 from the police authority. The Court of Appeal had been correct in concluding that the police authority stood in the shoes of the trespasser save to the extent that the 1886 Act provided otherwise. The appropriate analogy in construing the 1886 Act was with a strict liability in tort, arising from the failure of the police to maintain law and order.

www.courtrecord.uk/archive/Neuberger/uksc-2014-0165-judgment.pdf

Apparently Lord Neuberger, arguing the case from the 'collective' point of view under "ancient" Roman Law, wishes to have his 'tort' cake and "eat" it too. As the Police operate an instrumentality of U.K. PLC, as do the judges, they are 'collectively' responsible for the damages done regarding the apartment, regarding the Administrators, regarding the harassment, loss of liberty and theft of property from the men we know as Keir Argent, Michael Burke, Peter Frenette and Alan Smith, and regarding their 'collective' High Treason to Your Majesty.

Joseph Ray Sundarsson, Special Master, fax.courtrecord.uk/Fyj82spx.

As U.K. PLC and the Police appear to have chosen the path of Admiralty, the Allies of Your Majesty for the Rule of YHVH are given authority to slay or shoot dead those who are in "collective' High Treason to Your Majesty". This letter gives them their last chance, to "dismount and fuck off". This is applicable to all those, including but not limited to, "petty traffickers" and to those who believe they are capable of threats of mass-murder to hold on to power. The applicable scripture is Leviticus 20, Exodus 32, Luke 19 and 20 and the Crucifixion of our LORD, Jesus Christ.

Open Letter
Amicus curiA!
26 December 2016

Dear Dr. B. Sivanthi Adityan,

In the name of YHVH, Truth, Our Lord Jesus Christ, greeting!

We have heard testimony of how your paper reported the visit of U.S.S. Nimitz in 2007, where the ship was described in picturesque detail in Tamil, "rakshas kappal", a demon ship, the awe of those who visited it from your paper, the visit of the sailors to Madras, how the auto rickshaw drivers turned out in welcome to give them a thrill ride into the city and how the sailors were welcomed with hugs in rural villages.

At that time, we saw that the purpose of the visit was to blackmail New Delhi babus about USD money-of-account that was being laundered there, ultimately on behalf of the late Italian CAESAR, slain under Exodus 32 and Lev. 20:13, by the grace of YHVH, *Ground of Being*, seen as Shiva seated on a Tiger Skin, by the grace of Mahakali, who in Vision is combing her *illustrious* hair, pointing to the bunny-rabbit sitting in front of the Tiger's mouth, saying to itself, "I'm a tiger, not a bunny".

We have recently tried to reach your paper via its feedback form, where it is unclear if the post was accepted or not.

Dear Sir,

Regarding the Rule of Law in T.N. and the world, the end of the rule of Set, etc., please see our recent letters sent to The Hindu:
